**CONDOLENCE LETTER ON THE DEMISE OF  
JUSTICE D. D. ABUTU (RTD)**

We are in receipt of the news of the death of Justice D. D. Abutu (Rtd)  
Former Chief Judge, Federal High Court.

We are aware that he held office as a judge and later Chief Judge, Federal  
High court.

We are also aware that he dutifully served his country in the judicial  
positions he held to the best of his ability and with integrity.

We mourn with you and your serving and retired brother Judges in this  
monumental and painful loss.

Having served creditably and without blemish, we are not only mourning  
his loss but also celebrating his worthy service both on the judicial stable  
and administrative work as Chief Judge, Federal High court.

He has gone to meet with his creator, as there is time to be born and time  
to die. We pray that Almighty God the creator, receive his departed soul  
in his bosom and forgive his trespasses.

We also pray that the good Lord grant his family the fortitude to bear this  
irreplaceable loss.
